Public Concerns and Comments:

1. Nancy and John Gleckler were present to report that new people purchased the property across the road from them at 12142 Cooksey Road. They reported that these residents are running large, loud trucks all over the property at all hours of the night, disturbing them and other neighbors. The Glecklers asked if the Trustees could do anything about the situation. The Trustees will contact zoning inspector Jim Dickson to inform the new residents of the noise ordinance in the Township.
2. Tom Smith was present to report that he has had one incident from the noisy neighbor on Utica Road; other than that, everything is okay.
3. Mr. Stevenson reported that the residents at 18910 Utica Road complained about animal noises. Mr. Stevenson informed the residents that they live in an agricultural area and that there is not much the Trustees can do about noises from animals.

Employee & Appointee Report & Instruction:

1. Branden McDaniel reported that he painted the fuel tank and rims on the Louisville dump truck, and it is running well; he cleaned the ditch on Wilson Road; removed the tree from Wince Road; picked up nine tires from the Township's roads; and, put up the new signs.

Old Business:

1. Mr. Stevenson reported the Licking County Highway Dept. is going to help the Township with the proper positioning of the stop signs at the intersections of the Township roads to the county roads.

New Business:

1. The Trustees discussed the trash collection contract for the residents of Washington Township. They will take up the issue at the next meeting when all members are present.

Mr. Stevenson moved to adjourn, seconded by Mr. Coad. Vote: Mr. Stevenson, yes; Mr. Coad, yes. Motion carried.
