The Trustees were pleased to learn that the excess liability coverage was not near as expensive as anticipated. It was also decided that we would pay the premiums quarterly rather than annually since their is only a small service charge. We will continue to explore other companies in an attempt to save money.

The culvert replacement on Hull Rd. was discussed. It was felt Dave Thompson's chemical's draining into the culvert was one factor leading to it's deterioration.

It was reported by the Road Supt. that the road pads would be patched as soon as the weather was fit. He would probably start with Reynolds Rd. and work from there as funds would allow.

It was also reported that there should be no further problems with Turkey Shoots as Melvin Long's wife has taken care of that problem.

Mr. Hull moved that the meeting be adjourned seconded by Mr. Torrens.
