Mr. Wince reported on he and Mr. Myers viewing of the Harrison Township road coverage that was being done by the Shelly Co. They felt the materials were of very good quality, but felt they would also want the gravel coverage on top of the liquid. The gravel it was felt would prevent complaints and add extra stability to the roads. The Trustees felt that the middle of June would be a good time to schedule the coverage with the Shelly Co.

The Road Supt.'s insurance coverage was again discussed with several options thrown out for discussion. Mr. Torrens had contacted the Hospital Plan in Licking County and reported on their coverage.

Mr. Wince moved the meeting be adjourned with Mr. Torrens seconding.
