I certify that there are sufficient funds in the depository or in the process of collection to pay the above bills and checks of the Township have been issued in payment of the same.

David W. Reeder, Clerk

The new dump truck was again discussed. Everything seems to be working, and expectations are positive. Clerk, David Reeder reported that he had talked to Ned Vanatta of Newton Township and they may be interested in dealing for a snow plow if possible. Also Bennington Township did purchase one used tire from the Board at \$25.00.

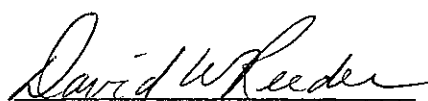

After much discussion it was decided that it would be best to renew the note at BancOhio rather than pay it off at this time, pending approval with the bank. With the limited funds and the current bills due it was felt we would better able to handle the payment the first part of 1988.

Mr. Wince moved the meeting be adjourned, seconded by Mr. Torrens. Motion carried.
