The convention was the major topic of discussion with each member sharing their thoughts on new issues learned while attending the various meetings. The federal gasoline tax which we will now be charged for, but later reimbursed was one of the major issues discussed. Basically a new headache.

Also the recent hearings regarding the new zoning resolutions were discussed and it was announced a copy of said resolution was on display at the library for public inspection. The zoning commission announced that their would be a public hearing on the resolutions on Monday Feb. 8, 1988 at 7:30 PM in the Township office. The Trustees then agreed to meet at 7:00 PM the same evening.

Mr. Hull moved to adjourn the meeting seconded by Mr. Torrens. Vote unanimous.
