The Trustees reported they met with County Officials at the site of the Torrrens Rd. Bridge to view the deterioration of the bridge. The County Engineer, Jerry Wray, closed the bridge due to its condition. The Knox County Commissioner's have agreed to pay one-half the cost of the replacement as they have done in the past. It is reported it will take several months to complete the project.

The Trustees again discussed Issue 2, together going through the application to see what funds walcould qualify for. It was decided that road surfacing, culverts, and retaining walls could apply to the Township.

Mr. Wince moved that the meeting be adjourned, seconded by Mr. Hull. Vote unanimous.
