The Clerk reported that he had talked with Herman Buckenberger of McKean Township and that Roy Bailey had applied the oil to their roads at a cost of \$46.00 per GALLON. Mr. Buckenberger stated the first three days were the worst as far as traveling through the oil. After that time the oil had pretty much settled. The Trustees felt with the weather of this year there has been very few complaints about dust. Exactly what will be done with the pads is still a question mark.

Mr. Torrens reported that he will continue to work on the Issue 2 funding application with the proposed priorities in question.

Mr. Wince moved the meeting be adjourned, seconded by Mr. Torrens. Vote unanimous.
