Mr. Hull reported the tractor's hydraulic system was now working. The problem was merely a filter and the replacement corrected the problem, therefore his tractor was not needed.

The Trustees were pleased that Jerry was now back to work and that he seemed to be getting along fine.

The Trustees were also very happy with the job the new road drag is doing. The roads are beginning to shape up and the drag is a positive alternative to using the grader for everything.

Mr. Hull moved the meeting be adjourned, seconded by Mr. Londot.
Vote unanimous.
