The Trustees discussed the replacement of three culverts on Richards Rd. due to them being washed out by the recent heavy rains. Keith Raines was contacted to help with the installation of the culverts and the Trustees felt he did a good job at a very reasonable price.

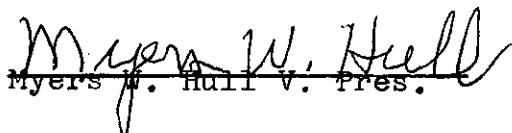

The Trustees also discussed the need for replacement of the culvert on Hunt Rd. as it has also washed badly and is in poor condition. The Road Supt. will look further into the replacement of this culvert.

The Road Supt. reported the radiator has been repaired. ~~xxxxix~~
