Mr. Londot was called regarding the line fence on the Berger property on Stickle Road. After getting a very cold reception during a visit to the tenants it was decided to let the problem settle until Mr. Berger returns from overseas or the situation gets out of hand.

As our CD is coming due, the Trustees discussed our options regarding its maturity. It was decided to purchase a ten month CD.

Mr. Torrens is still compiling information regarding our zoning fees. He has spoken at length with McKean inspector Phyllis Ellis. He will report again at the next meeting.

Mr. Torrens also discussed getting a computer for the Township. He reported Newton's is working out well. The Board realizes the wait for the system could be a long one but felt it would be good to get on the waiting list.

Mr. Londot moved to adjourn, seconded by Mr. Hull. Vote unanimous.
