Mr. Torrens reported there was a ditch and culvert problem on Weaver Road where the water from the recent hard rain bypassed the culvert and therefore washed part of the road. He would check with the Shelly crew that is there performing the Issue 2 project to see what could be done.

Shelly Comp. has the bridge out on Weaver Rd. and is in the process of replacing it. There was a small problem with Ohio Power but it was resolved by Mr. Torrens and Mr. Holton of Newton Township.

Mrs. Ware on Stout Rd. called concerning the gravel washing into their yard during the recent heavy rains. The Trustees decided they would also visit the Ware's.

The Road Supt. reported the Cab Over would be taken to Eash and Sons for exhaust repair.

The residents at the Slayter place on Ginger Hill Rd. reported a Children Playing sign was needed to help with traffic control.

Mr. Torrens moved the meeting be adjourned and a viewing of Weaver Rd. be accomplished, seconded by Mr. Londot.
