Mr. Torrens reported he has ordered the signs from the Kleim Comp. and the expected delivery date would be approximately three weeks.

The tiling has been completed on Bell Church Rd. with Keith Raines excavating doing the excavation work with the tile purchased at Farmers Wholesale.

Paul Hunter and Ron Branstool from Morgan Township, Knox County were present at the meeting to discuss a joint Issue 2 project for the paving of Bell Church Rd. Our Township showed to Morgan our two prior applications and discussed the approval of the work which was done on the Weaver-Smooths Rehab Project. Both Townships seemed to be in favor of the joint venture. Further discussions to take place. If done two large new culverts would be part of the project.
