APPROXIMATELY 800' OF WINCE BY GRINDING OUT THE ROAD ADDING
ASPHALT AND ADDING 1 FOOT OF #2 LIMESTONE ON EACH SIDE.
SECONDED BY MR. LONDOT VOTE YES YES YES MOTION CARRIED.

NEW BUSINESS

#1 jim Glover the fire chief of the Newton township fire department was present to address the board about his CONCERNS with the Utica fire department, Mr. glover reported that the Utica fire had problems pumping the water on the SEEN of A fire on wince ROAD onto the fire. Mr. Glover sited other fires in which Utica had the same problems. In his opinion this was problems with the basic fire training for the Utica fire department.

#2 rich Wray, rob Pierpont and Jason woodruff from the Utica fire department were present to address the issues from the fire on wince road. They admitted that there were problems with the set up of the pumper truck and the amount of time it took to get the water to the firemen fighting the fire. They discussed the problems with THE trustees and Mr. Glover; they agreed to work with Mr. Glover on the training of the members of the Utica fire department to ELLENINATE these problems from happening again.
